About the workshop

RCAC and the Yerington Paiute Tribe are hosting a Native American Water Masters Association (NAWMA) meeting to provide networking and educational opportunities for Native American water operators. This is a chance to meet other operators and be involved in training that meets your water operation's needs.

Topics will include:

- SOCs, VOCs, IOCs
- VOC vs IOC sampling
- Chemical Dosing – Overview
- Chemical Dosing - Record Keeping / safety

This training is eligible for 4 continuing education contact hours.
