

Protect Your Water: Essential Well Care & Emergency Preparedness

Septic System Operations & Maintenance for Homeowners

Online • February 19 and 20, 2025

Has your drinking water been tested? Is your home water system working properly? Homeowners can sign up for a free well assessment here: https://www.events.rcac.org/Forms.asp?MODE=NEW&Forms_FormTypeID=-2718

A private well assessor will visit and assess the condition of your well and home water system, take water quality samples, provide recommendations, and answer any questions.

Protect Your Water: Essential Well Care & Emergency Preparedness

Do you get your water from a private well? Join us for a two-hour webinar to learn more about essential well care, how to prepare for and respond to emergencies, and where to find additional resources.
