

# Basic Financial Management

April 5, 2025 • Gallup, NM

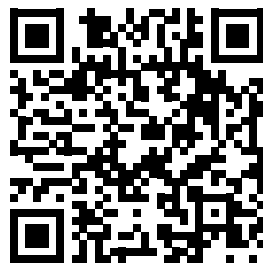

Got cash? This practical workshop explores the financial building blocks of running a utility including developing budgets and key reserves, managing assets, and implementing internal controls. Designed to ensure the long-term sustainability of your utility, the workshop will also introduce the important topic of setting effective rates. Managers, operators, and board members are encouraged to attend this informative training.

*4 New Mexico Drinking Water Training Credits are awarded for attending.*

**When:** April 5, 2025 • 9:00 a.m.–1:00 p.m. (Mountain Time)
