

Diversity Basics

A two-webinar series • June 7 & 9, 2022

During this webinar, we will introduce basic diversity, equity and inclusion concepts and share information about unconscious bias. To show DEI in action, RCAC will share their DEI journey with RCAC staff and how to continue this discussion with your own staff, clients and community.

Learn how trauma impacts our communities and how to provide services and assistance with a trauma informed view. We will share one method an organization can use to review or evaluate their policies and procedures to progress in their DEI journey.
