The NAWMA Gathering

Announcing the gathering of the Central California Native American Water Master's Association on February 26, 2020 at the Coyote Entertainment Center, Tachi Palace, Lemoore, CA.

The purpose of these meetings is to provide a forum to discuss evolving drinking water and wastewater technologies, regulations, and issues facing Tribal water and wastewater utilities as well as Tribal environmental departments.

The meetings also support local Tribal water and wastewater operators by providing contact hours needed to maintain drinking water certification. These meetings allow for networking with local operators and environmental staff.

Central California NAWMA sessions will be planned for throughout the year and coordinated by local RCAC technical assistance providers. The gathering will be held at the Coyote Entertainment Center- Tachi Hotel and Casino. Lemoore.CA
