October 14, 2025

Graduation
November 18, 2025

Location

Sandoval County Fairgrounds
Community Center

Address: [37 Rodeo Road,
Cuba, New Mexico 87013](#)

You are invited to join the Water Leadership Institute!

This is more than a workshop—it's a chance to build a trusted network of professionals, exchange ideas and solutions to common water problems, and engage in critical collaboration to address your community's water challenges.

The *Water Leadership Institute (WLI)* brings together community members and water board leaders to strengthen local leadership, share knowledge and create lasting connections. Through interactive sessions and peer networking, participants develop critical skills in communication, outreach, stakeholder engagement and individual leadership.

Participants will:

- Strengthen their leadership and communication skills
- Connect with neighboring communities and water systems
- Learn how to advocate for their community's water interests
- Engage in honest dialogue around local water issues
- Build trust and prepare for long-term collaboration

Stipends are available for participants who complete 75% or more of the training sessions.
