Join your fellow operators at the 40<sup>th</sup> gathering of the Native American Water Master's Association on Tuesday February 25 at the Redding Rancheria Win River Casino in Redding, CA.

The purpose of NAWMA meetings is to provide a forum to discuss evolving drinking water regulations, technologies, and issues facing tribal water utilities.

These meetings support local tribal water operators by providing relevant changing information and contact hours needed to maintain drinking water certification as well as allow for networking with regional and local operators. NAWMA sessions occur on a minimum quarterly basis throughout the year and are coordinated by local RCAC technical assistance providers.

**A very special thank you goes out to the Redding Rancheria Community for hosting this training.**

Lunch will be provided.

We look forward to seeing you there.

Sign in will begin at 8:00 AM.
