The Next NAWMA Training Meeting

Announcing the next gathering of the Native American Water Master's Association (NAWMA). The purpose of NAWMA training meetings is to provide a forum to discuss evolving drinking water regulations, technologies and issues facing tribal water utilities. The meeting supports local tribal water operators by providing contact hours needed to maintain drinking water certification and allows for networking with local operators. NAWMA sessions occur on a regular basis throughout the year and are coordinated by RCAC technical assistance providers.

AGENDA ITEMS:

- Welcome and Introductions
- Day one Water distribution operator certification workshop Topics:
 - USEPA Federal and State regulations
 - Water use, system design, hydraulics
 - Pipes, valves, hydrants and storage
 - SCDA
 - Pumps and motors
 - Meters
 - Chlorination
 - Water Quality
 - Backflow

*This training is eligible for 5 continuing
education contact hours*

Funded By US EPA Region 9
