The Next NAWMA Training Meeting

Announcing the next gathering of the Native American Water Master's Association (NAWMA). The purpose of NAWMA training meetings is to provide a forum to discuss evolving drinking water regulations, technologies and issues facing tribal water utilities. The meeting supports local tribal water operators by providing contact hours needed to maintain drinking water certification and allows for networking with local operators. NAWMA sessions occur on a regular basis throughout the year and are coordinated by RCAC technical assistance providers.

AGENDA ITEMS:

- Welcome and Introductions
- R9 Updates - UIC Class V Wells
- Service Line Inventories
 - Potholing for Identification of Lead Service Lines
- Water Quality Monitoring Best Practices
 - Monitoring Schedules
 - Hands-on Sample Collection Practice
- Pressure Reducing Valves
 - How PRVs work
 - Basic PRV O&M

This training is eligible for 4 continuing education contact hours

Morning snacks and lunch will be provided by The Pauma Band of Luiseno Indians

Funded By US EPA Region 9
