RCAC strongly recommends that all participants use an at-home test kit to test yourself before you leave your home. If you do test positive, please stay home!

The **Hilton CleanStay** policy will be followed during the daily breakfast (for register guests only) and the two luncheons included in the Housing Counseling Summit.

If at any time you are not comfortable being in the room with others, you are welcome to step out. No judgment! We all have different comfort levels and do not want to pressure anybody into a situation in which you are not comfortable.

If you're not feeling well or have fever while you're in SLC, please isolate in your hotel room and let us know. We will have extra test kits available if you need one.

If you test yourself while in SLC and you test positive, please make sure to isolate in your hotel room and let RCAC staff know.

Hilton CleanStay

We've taken additional measures beyond our industry-leading cleaning standards by partnering with Reckitt, maker of Lysol & Dettol, to develop our Hilton CleanStay program. This innovative program builds upon our already rigorous cleaning standards by providing enhanced training for Team Members and increased cleaning of public areas to ensure you enjoy a worry-free stay.
