

Septic System Basics for Homeowners, Installers, Planners & Realtors

May 22, 2024 • Online for OR

Do you want to learn more about protecting your groundwater and the issues that can impact drinking water? Are you having septic system problems?

Join RCAC to learn more about your septic system!

The workshop will educate owners on proper operation and maintenance of septic systems, common troubleshooting, preventive maintenance and solutions. We will also discuss the benefits of establishing long term solutions such as On-Site Wastewater Management Programs.

This training can be beneficial for installers and realtors to better understand septic systems and their importance to rural homes.

This training also touches on rules and regulations specific to Oregon.

When: May 22, 2024 • 9:00 a.m.–12:30 p.m. (Pacific Time)

Register online at: <https://www.events.rcac.org/assnfe/ev.asp?ID=4177>
