Where

Timpanogos Special Service District

6400 N 5050 W, American Fork, UT 84003

This workshop qualifies for 0.4 CEUs

This wastewater training is intended to help small and rural treatment systems, their operators and their communities. This training will assist these systems by providing 0.4 CEUs to certified wastewater professionals, helpful to renew their accreditation. This training will also be helpful for new professionals in the wastewater sector looking to meet the minimum requirements to apply for the certification examination.

Who should attend:

The intended audience is wastewater operators, managers and board members serving small and rural systems who are looking to improve their overall skills and knowledge in wastewater treatment.

This workshop qualifies for 0.4 CEUs
