

# Asset Management for Small Utilities

**Clovis Carver Public Library (Ingram Room)**  
**701 N. Main Street, Clovis, NM**

**Asset Management is the Key to Infrastructure Funding!**

**Date and Time:** Tuesday, August 20<sup>th</sup> 2019 (9am-4pm)

**Description:** Using hands-on tools and exercises, this workshop is especially designed for small utilities and provides a practical approach for developing a fully functional asset management plan. Key topics include asset inventory and asset mapping, level of service, criticality assessment, minimum life cycle cost, and funding strategies. With asset management planning becoming a requirement for many funding agencies, this **free** workshop provides a timely opportunity to improve utility operations and access to funding.

**Cost:** No Charge

**Registration:** Registration is limited. To register please open link below. For more information please contact Karl Pennock at 575-932-8222 or [kpennock@rcac.org](mailto:kpennock@rcac.org)
