

Free Drinking Water Workshop

Water Distribution O&M Exam Prep

August 28, 2019 • Alturas, CA

When

Wednesday, August 28, 2019

8:30 a.m. – 3:30 p.m.

To secure your seat please preregister with the link below.

Where

Alturas City Hall

200 W North St, Alturas, CA 96101

This workshop will qualify for 6 contact hours

This workshop helps both Tribal and CA state water operators to understand basic duties and certification requirements under the Safe Drinking Water Act (SDWA) and Federal EPA. Exam takers will be our priority but contact hours will be provided for any who want to attend for general learning, refresher, or recertification requirements.

This workshop will cover the basics of the SDWA, operator certification regulations, pumps, safety, water sources, water operator math, water quality, storage facilities, water piping, hydrants, water valves, and meters.

This is a free workshop, and all are invited, but priority will be given to Tribal operators.

Lodging is available in the Alturas area.

A very special thanks to the City of Alturas for the use of its meeting room.

There is no fee to attend this workshop, but please register in advance to attend as space is limited.

Register online at: <https://www.events.rcac.org/assnfe/ev.asp?ID=1859>

or fill out one form for each person attending and mail or fax to: RCAC Attn: Training Dept. • 3120 Freeboard Dr., Suite 201 • West Sacramento, CA 95691 • Fax: (916) 372-5636 • registration@rcac.org
