

# RCAP Outreach & Well Assessment Workshop

*for stakeholders working with water quality and well systems*

**Thursday, August 29, 2019 8:30am – 12:30pm**

**South Central Health District (Twin Falls Office)  
1020 Washington Street N  
Twin Falls, ID 83301**

**Part 1 – Effective Outreach to Private Well Owners**

Learn from other successful outreach programs around the country how to effectively engage well owners about wells and public health protection.

**Part 2 – Resources Available to Educate Well Owners and Stakeholders**

Discover the many great tools and resources available to help raise awareness of private well issues and educate stakeholders about well care.

**Part 3 – How to Evaluate A Well or Spring to Determine Risk and Vulnerability**

Learn straightforward steps to assess the geology, well construction, and site conditions at a private well to help the well owner understand potential risks.
